

## Part A - Project Assistance Application

The Project Assistance Application Part A is an Adobe® Reader® form. If necessary, you may download [Adobe® Reader®](#). The [Project Assistance Application Instructions](#) is a separate document and should be read prior to starting this application form. [Part B-L](#) of the application is a separate document created using Microsoft Word and should be filled out and submitted with Part A of your application, with your Business Plan and with any other attachments. Your work can be saved, and when completed submitted by email to [directedenergy@buffalo.edu](mailto:directedenergy@buffalo.edu). Buttons are provided at the end of the form to save, print, and email the administrator.

1. Company Name:		
Address(s):		
Website:		
2. Company Type (check one)		
S	LLC	Other _____
C	Partnership	Not Yet Established
3. Year Company Established
